

## **SOUTHERN CROSS RISK MANAGEMENT (PTY) LTD**

FSP Solutions (“FSP”) and Southern Cross Risk Management (“SCRM”) have formed a partnership to provide FSP Solutions clients with professional indemnity cover as required by the Financial Services Board.

SCRM was founded in 2003. Shortly after its inception, “SCRM” became the biggest supplier of Professional Indemnity (“PI”) Insurance within the African region of AIG.

SCRM is a Financial Service Provider specialising in Insurance and Risk Management for Financial Markets, Professional and Financial Service Providers (FSP’s). The company’s expertise and focus is in the highly specialized field of Liability Insurance with particular emphasis on providing Professional Indemnity Insurance to FSP’s. The Directors have many years of experience in designing and managing risk solutions on behalf of their clients.

SCRM also has extensive specialist expertise in the field of Directors and Officers Liability Insurance.

Given Southern Cross Risk Management’s area of specialisation, they hold a unique position as a trusted service provider to intermediaries, as they are not in competition with their clients.
