Clarendon Transport Underwriting Managers (Pty) Ltd

CTU celebrates more than 20 years of taxi insurance excellence and has paid out more than R 1 billion in benefits.

CTU is focused on meeting the needs of the taxi industry, as well as being flexible enough to adapt its services and products, in response to the changing demands, by consistently providing good service, backed by stability, expertise and excellent understanding of the taxi industry.

CTU currently insures more than 80 000 taxis nationally. This has been achieved via our extensive network of short-term insurance brokers, together with our dedicated staff who are experienced in matters relating to the operations of the taxi industry. CTU understands the absolute imperative of expedient claims settlement and as part our enhanced service delivery, we conduct continuous training to maximize efficiency.

CTU provides the peace of mind in that you are covered by a company with more than 20 years of experience, expertise, excellence and is the leading provider of taxi insurance. Rest assured YOU ARE COVERED IN OUR HANDS!

Covers Available:

Full Comprehensive Cover

6 options/schemes available

Extensions Available:

- Personal Accident : Covers both the driver and passengers
- Passenger Liability
- Loss of Use Cover
- Credit Shortfall
- Abscondence, Violation and Credit Shortfall
- Deposit Protector

“THE CTU CHALLENGE”

We would like to invite all brokers and clients to challenge CTU by making contact with ourselves where the current Taxi policy is **NOT held by CTU**. We **GUARANTEE** that we will be able to provide a lower premium to the customer on the condition that proof of the existing policy is supplied. **IF** we are unable to beat the current premium **CTU WILL PAY THE CLIENT R1000**.
