

## Cartrack - Vehicle Tracking Devices

FSP Solutions have partnered with Cartrack to bring you the best possible deal on vehicle tracking devices.

Now from only R160 per month\* with free installation, contact FSP Solutions today on 0860 001 827.

In today's world, it is vital for everyone to consider fitting a recognised vehicle tracking device, and by fitting a tracking device you will save on your insurance premium and have lower excesses should your vehicle be stolen.
