

## ABOUT AUTO & GENERAL COMMERCIAL

**Auto & General Insurance Company Ltd** was founded on 1 June 1985 and is part of the Telesure Investment Holdings Group. Since its establishment, **Auto & General Insurance Company Ltd** has a long-dated history of being first to market with many insurance innovations and continues to affirm its footing as a formidable leader in South Africa's competitive short-term insurance industry. The revolutionary streak continues with our commitment to service excellence whilst retaining the core values that have positioned **Auto & General Insurance Company Ltd** as a leader in the South African insurance industry.

Supported by the knowledge, innovation and experience of Auto & General Insurance Company Ltd, the **Auto & General Commercial** division was established in 2007 to take advantage of the growth experienced in the SME market and offer suitable insurance products.

**Auto & General Commercial** provides tailored insurance quotes for brokers from small-to-medium-sized commercial businesses including insurance for specialised liability risks. Since 2017, we have been offering additional insurance capacity for medium to larger commercial clients and have grown our presence in the market through delivering broker support services with the needs of business owners in mind.

**This is affirmed by achieving the 2019 FIA Intermediary Experience award for Commercial Lines.**

Our Commercial Insurance product offering has been tailored to suit the insurance needs of over 700 different business types from start-up to mature businesses and span across the following industries:

### Motor Only Policies

Auto & General is one of the only commercial insurers in the South African market that offer single vehicle policies. Allowing any size business, small or large, to only take insurance on vehicles with no requirement to add non-motor components to the policy.

### Additional Benefits

Car Hire: Loss of Use.

If selected this benefit will allow the client to receive a cash pay-out, with the option to select the number of days and rand value of their choice for daily vehicle rental, when our preferred vehicle rental service provider does not have the required rental vehicle for their business needs.

This benefit is available to shuttle services, metered taxis, security companies, professional tour operators and guides, and driving schools.

For our SME clients, we have our **Business Assist** offering embedded in our policy, which delivers a range of carefully selected enabling services to our clients. From airport transfers, to branding and logo-design to support with preparing tenders, we have been able to support our clients in making things easier, allowing them to focus on growing their business
