

Petrosure Underwriting Managers

Petrosure Underwriting Managers is a 100% black owned BBBEE Level 1-135% Procurement Recognition, niche, short term specialist Underwriting Management Company specializing in the Fuel Retail Industry. Some of the risks we underwrite but not limited to are as follows: **Service Stations, Wholesale Fuel Depots, Motor Dealerships, Car Hire companies, Panel beating companies, Fitment centres, Towing & Breakdown companies, Workshops, tyre dealerships, vehicle movers** and many more.

- We are an experienced and well-established underwriting Manager, offering reliable and sound risk management driven solutions.
- Attention to detail ensures that no business is adversely affected by an insurance event on our watch.
- You will receive professional advice and guidance from our specialist brokers
- Our experienced brokers will personally conduct site visits of your business to assist with a risk assessment

Through strategic partnerships, we strive for exceptional customer service unparalleled by our competitors. We have specific extensions/enhancements which make our product more appealing to our target market. We are Underwritten by **Old Mutual Insure, which is one of the oldest, leading and most reliable short term insurance company in South Africa.**
