

Why working at FSP Solutions is gr8!

What does FSP Solutions do?

FSP Solutions brings together groups of insurers and groups of brokers in a one stop insurance administration environment in the short term insurance sector. Our dynamic team currently exceeds 75 members in sales and administration.

FSP Solutions Company Principles and Growth:

FSP Solutions is a successful and innovative company with a great culture and a substantial track record as far back as 2003. Our core values are based on innovation, integrity and business intelligence. We are growing fast and currently have the most comprehensive value proposition in the aggregated short term insurance sector. There are substantial growth opportunities in our team, supported by great leadership.

FSP Solutions Training:

FSP Solutions invests a lot in our team and we offer comprehensive in-house insurer product, system, regulated insurance and telephone skills training @ our on premises training centre.

FSP Solutions Rewards:

FSP Solutions offers competitive and market related salary packages as well as great incentives.

FSP Solutions Benefits:

FSP Solutions team members have access to medical aid and the choice of working flexi hours.

@ FSP Solutions we work and play hard:

FSP Solutions has a very informal culture with a casual dress code. We have an open door policy and our team is young and dedicated and we have regular social get togethers.
